3 PHASE MASS & HARDENING AGENT

- LEAN MASS & STRENGTH
- NON HORMONAL
- INCREASED PROTEIN SYNTHESIS
- BALANCE CORTISOL
- MUSCLE CELL REGENERATION
- NO PCT NEEDED

GEC brings to you a one of a kind true innovative product of the future in nutrition. For the first time ever, a product that performs in many unique ways through multiple pathways to accelerate lean muscle volumization and density. **LAXOPLEX™** has the ability to increase protein synthesis in excess of 200%, balance cortisol, regenerate and repair broken down muscle cells, and provide anti-inflammation benefits for lean mass all without hormonal influence. This means no unwanted side effects such as internal toxicity, excess estrogen, and no PCT needed which makes **LAXOPLEX™** an excellent choice for men or women.

WARNING: Consult your physician before using this product. It is not intended for use by individuals under 18 years of age. Do not use if you have any medical condition, including but not limited to, prostate hypertrophy, cancer, heart, liver, cardiovascular, kidney, thyroid disease, high blood pressure, low HDL, or are taking any other prescription drugs. Do not use if you are pregnant or nursing. Discontinue use if you experience any adverse reaction to this product.
